The travel team will have an additional practice each week with the designated coach and play a game in the Eastern Maine League on either a Saturday or Sunday throughout the winter.

For those not placed on the travel team, players will play a Saturday game at the rec center. Teams will be created at game time each week. This will provide an opportunity to play with and against different players and to keep games competitive.

All players will receive a purple & white reversible Bronco jersey to be worn in skill sessions and games.

At the end of the winter program in February, we will form additional teams to participate in weekend tournaments for those who are interested. These tournaments will be held in surrounding area towns consisting of games on Saturdays & Sundays.

Program fee is \$45. If you are placed on the travel team, there will be an additional \$30 fee to cover the cost of entry fee into the EMBBL.
